

SUNRISE ENERGY, LPG THROUGHPUT TERMINAL IN THE HARBOUR OF SALDANHA BAY, HAS THE FOLLOWING VACANCY.

Instrumentation Technician

The Company offers job opportunities within a safe and professional environment. The competitive salary package includes staff benefits such as medical aid, Pension Fund, and Group Life and Disability.

Job Overview:

We are looking for a technically skilled, motivated Instrumentation Technician to join our team. The successful candidate will be responsible for installing, maintaining, and troubleshooting instrumentation and control systems to ensure optimal plant operations. A complete job description is available upon request from hr@sunrise-energy.co.za.

Educational Requirements:

- Grade 12 diploma or equivalent.
- National Diploma in Mechatronics, Electrical Engineering: Control Systems, or related field.
- A minimum of three years of experience in process plant instrumentation and control systems.

Additional Requirements:

- Proficiency in Microsoft Office applications (Excel, Outlook, PowerPoint, Projects).
- Familiarity with Computerized Maintenance Management Software (e.g., Sage, SAP) is a plus.
- Navigate and interpret Programmable Logic Controller (PLC) and Distributed Control System (DCS) logic diagrams, alarms, and trends.
- Navigate and interpret Piping and Instrumentation Diagrams (PID's) and Instrumentation Loop drawings.
- Working knowledge of LPG truck loading systems, operational parameters, and plant control philosophy.
- Exceptional problem-solving skills and meticulous attention to detail.
- Ability to work independently and as part of a team.
- Good communication and interpersonal skills.

Requirements:

- Perform preventive maintenance and routine inspections on equipment.
- Ensure compliance with safety regulations and standards.
- Prepared to wear personal protective clothing.
- Must be able to coordinate and plan with other departments to ensure smooth operations.
- Must be able to provide Maintenance reports as per the required reporting schedule.
- Ability to work independently and as part of a team.
- Light vehicle driver's licence (Code 8).

Closing date: Monday 9th June 2025
